

Teacher Certificate Program: Overview of Assessment

April 8<sup>th</sup>, 2024 | 1730-1900 |

# Small Group Breakout #2

## Academic Advising/Support

### Challenging cases:

- Student shows up to your clinic or OR, you weren't expecting them, it's a busy afternoon and you're doing some complex procedures
- Dress code is not appropriate (but not egregious)
- Student is not engaged in your clinic despite setting shared goals, seems uninterested
